**Summary of Legislation:** This bill establishes the Environmental Crimes Task Force to study the appropriate class of criminal violation that should be assigned to each type of environmental crime. It also requires the Task Force to file a final report before November 1, 2007.

**Effective Date:** Upon passage.

**Explanation of State Expenditures:** The Task Force consists of 18 members: 4 legislators, 2 state employees, and 12 lay members. Currently, legislators are entitled to \$134 per diem. Lay members are entitled to \$75 per diem. Members are also entitled to mileage. The expenses of the Task Force are to be paid from state General Fund appropriations made to the Legislative Council or the Legislative Services Agency. Legislative Council resolutions in the past have established budgets for interim study committees ranging from \$12,000 to \$18,500 per interim for committees with 16 members or more.

The Department of Environmental Management is to provide staff for the Task Force. Expenses associated with the provision of staff can be absorbed given the Agency's existing budget. This bill will affect the Agency's budget for FY 2006, FY 2007, and FY 2008 since the Task Force is set to expire January 1, 2008.
